

Lisa Sodano

Office Manager

I'm originally from the suburbs of Philadelphia. My husband Jeff and I moved to the Pocono Mountains (NE PA), where we lived for 15 years, raised our four boys (now young adults), owned an HVAC company, and made many lifelong friends. After much prayer and taking a family vote, the 6 of us moved to North Idaho 9 years ago.

Shortly after, I began my career in the Medical Field starting at the front desk at Northwest Specialty Hospital and then gaining experience in other specialties including, Occupational Medicine, Women's care, Internal Medicine, the Pre-surgical clinic and Orthopedic Medicine.

I'm delighted to join the team at Heart of Hope Health. I feel passionate about the values this team of professionals offers and share in their mission.

In my free time, I enjoy spending time with my family, our two dogs, and friends, as well as completing DIY projects. I'm grateful for any time outdoors gardening, boating, or spending time in our pool soaking up the sunshine.
