God- He has continually provided beyond our needs. We are thankful for His presence & give Him the glory for all that is going well.

Walt- He donated his truck and trailer and his time to helping build our 4th of July float and drove in the CDA Parade.

Moriah and Casey- They hosted our float decorating party, providing supplies, food and countless hours preparing for the parade.

Our Patients-thank you for allowing us to serve you.

Our Volunteers- Their generous donation of time and skills has blessed our staff and patients alike.

Our Staff- their daily efforts to keep HHH on mission and moving forward is evident in patient lives' that are being transformed.
