Important dates & Events

Monday October 9th Class: Transitioning to Preventative Health- What about Vaccines?

Free for Members

\$10 for Non-Members

Urgent Care & Primary Care will close early Friday, October 6th for an in service.

We will be open 8am-2pm

Urgent Care & Primary Care will open late on Thursday October 26th

We will open at 12pm.

MCG Testing

FRIDAYS 1-5:30PM

For more information watch the video on our website under the MCG tab.

Why do MCG?

The MCG test offers patients and physicians "peace of mind" as we finally have a device that can see coronary disease early and late dependably, that gives us knowledge essential to handling key life decisions with this information

Transitioning to Preventative Health- What about Vaccines?

MONDAY OCT 9TH 6:30-8PM

Join us for this informational class that takes a look at the data regarding vaccines.

Be informed to make the right decision for you and your loved ones.

STAFF HIGHLIGHT:

Kimberly McDermott, C-NP

Reminders & Updates

Normal Business Hours

Primary Care

Monday-Thursday 8am-6pm

Friday 8am-1pm

Urgent Care

Monday-Friday 8am-6pm

Returning Calls

Thank you to everyone who has an investment in our clinic. We value each of our patients. Due to the higher call volume, We do ask for 48 hours to return your voicemail.

Thank you for your patience!

New Staff

Our front office staff that were home for the summer are heading back to college soon.

You will see some new faces.

Give us a Google
Review!

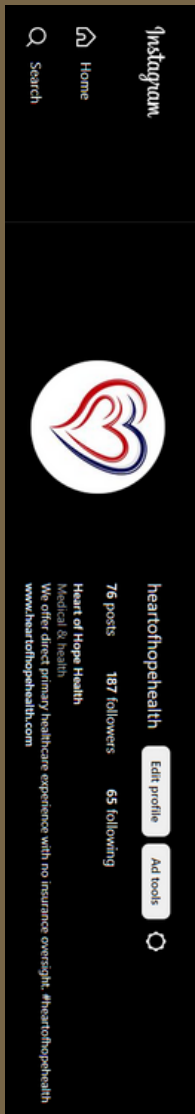

It's essential to our clinic!

Thank you!
